How the Endowment Can Bless Others

As the endowment grows, its annual distributions can support a wide range of ministries and needs, such as:

- Helping fund youth group mission trips and retreats that form young people in faith and service
- Strengthening outreach partnerships and extending care into beyond our campus during times of need
- Providing educational resources, books, or materials for future clergy or lay leaders
- Supporting parishioners pursuing ongoing spiritual education, discernment, or formation.
- Caring for church property in ways that support long-term sustainability and hospitality

Together, we can continue building a vibrant future for St. Thomas. Thank you for your prayerful support!
